Questions writing with answers

None

Everything is excellent..

1) Best work of Institution. 2) teaching -learning process is good.3) Best experience in teaching-learning Process.

Teachers are well good.

Practicals late fees is too much

please look towards the sociology subject faculty and provide with the notes of respective subject ...humble request

No any suggestions

Not necessarily

Very Good

All teaching is most likely and important

There should be interaction

1 Make available for students online exam form fill up process
2 revaluation and exam form must not be scheduled on same date
3

It's great opportunity to being a part of this institution. The college is the symbol of knowledge and inspiration.

All teachers teaching techniques very good

1) Taking proper revision of the students so that student may ask multiple doubts in the class Or college premises
2) Don't do partiality with the students brain power treat every student equal
3) teachers need to build up their knowledge so they can teach us more knowledgeable and due to which they will boost us

Nice ,,,, still have scope of improvement

Teachers should improve communication skills , teachers should provide notes before exams as early as possible

Teach with simple language and examples

1. Please focus on each and every Student.
2. Give attention to every Student.
3. Behave with them properly not rudely.

Observation

Most of the teachers are excellent, they always available for students, overall my experience was good .

Excellent teaching

Poor behaviour to students from the teachers

Discrimination should not be there

More moot court session , more court visit . Overall experience is excellent 👍

1. Teaching staff is good.
2. Quality of education is better
3. Communicating properly regarding assignments with students who learn by maintaining their part time jobs.

Use of more technology in teaching.

More interactive teaching

College should organise more Court visits so that students can understand the Court proceedings very well

Nothing else

Since I'm not actively involved in daily activities of the institution, I feel I'm not competent to give any feedback or suggestions. Whatever is happening currently is the best right now and I've no complaints.

Proper management for procedural events

I suggest teachers should conduct a class test fortnightly or monthly on the syllabus covered. It will revise the syllabus for students and make prepared them in advance for examination.

THANKS FOR YOUR COOPERATION IY MAY BE MENTION SAME IN FUTURE

Satisfactory

1. Increase the student teacher engagement
2. Organising doubt solving sessions
3. Organising revision lectures

Bathroom repair, waiting room, make exam fees online system

Very good all the teachers. & teaching

1. When a student ask any doubt then the faculty should clear the doubt instead of telling the student that how weak they are and how they are not intelligent.
2. Sometimes behaviour of some faculties is not fair ,they behave too pathetically. This created disrespect for teachers in our mind. But , some teachers are good and supportive too.
3. Compulsory attendance should be implemented by college. It is only on record but in reality there is no implementation of compulsory attendance and that's why students are taking the course lightly and are not taking the course seriously.

Appoint good teachers

Take necessary action to increase the regularity of the student.

The institution is very well and staff of the institution fully expert and cooperative there is no need to change the teaching and learning because teaching halls and there available technologies and expert staff of the college very expert therefor no need to some changes. Thanku

better graphics and visual media to engage students well 2) Try to reach every student and ask for their doubts 3) Make teaching a two way interaction

They use to appreciate us for doing good and encouraged us to work hard. They even allowed us to take part in various activities.

It's good.

I request you to change that swati meka mam behavior of talking to the students in a low language and doing partiality

This should be changed

No any suggestion is needed

Legal language course

1. There must be active participation of the teacher initiating new teaching method,
2. Teacher should not be more curriculum oriented, there must be other activities also,
3. There should not be bore teaching conservative style methods of teaching, teacher should ask to the student that are they getting bore, or teacher should joke while teaching. Which happened in our classroom very rarely. वर्गातल्या 100 मुला-मुलीपैकी शिक्षकांच्या हातून दोन-चार विद्यार्थ्यांचे जीवन यशस्वी जर झाले, तर यात सर्व काही आलं, ज्या विद्यार्थ्यांना विद्यार्थिनींना खरंच शिकण्याची गरज आहे असे विद्यार्थी आणि विद्यार्थिनींना शिक्षकांनी ओळखले पाहिजेत आणि त्यांना विशेष सहकार्य केले पाहिजे, फक्त शिकवण्यापुरतं मर्यादीत न राहता, सर्व शिक्षकांनी विद्यार्थ्यांमध्ये जातीने लक्ष घालावे. Best of luck, and thank you 😊
