**ANNEXURE – II****BRIEF ANALYSIS OF FEEDBACK**

Nurturing education among the students is a wonderful experience. We at Narayanrao Chavan Law College impart legal education to students with an optimistic view to make their future glorious. Feedback from students is taken time to time especially after every academic session is completed. We arrange remedial coaching for the weak and slow learners and try our level best to improve their academic level. After completion of these classes feedback is taken from the students.

Similarly, parents and teachers meet is taken for the better interaction between students, teachers and parents. A feedback is also taken from the parents if they find any difficulty regarding the teaching and learning of their ward.

The college being a research centre, number of PhD students is being registered at the centre. We provide every facility to them and help out to resolve the issues relating to research. We also conduct course work and other academic activities related to research such as arranging lectures on research methodology etc. We also take feedback from these research scholars.

As per the guidelines given by the UGC time to time we also arrange classes for competitive exams for entry in services for SC/ST and Minority students. We invite eminent personalities from the society to deliver lectures. We also invite people who conduct coaching classes especially for competitive exams to deliver lecture for our interested students also.

An overall analysis of the students can be taken out through the passing percentage in each academic session and can be compared with the dropout rate. We have compared the results with the last year and we find that the graph of passing percentage has definitely increased. It is sought in 2012-13 that the feedback which we received throughout the year clearly shows an improvement in overall performance of the students. Parents also have the liberty to give suggestion as to improve academic standards. Feedback is taken from the students, parents, aluminate and guests by issuing the prescribed format.
